

Automotive Manufacturing

and the Shelter Service Advantage in Mexico

Automotive Manufacturing Races to the Top

With auto production estimated at over 3.7 million units in 2020, Mexico is touted by some as the “new capital of the automotive industry” for its strong supply chain, evolving trade networks, and an influx of investment.

The Shelter Service Advantage with Tetakawi

Drive Growth with Automotive in Mexico

With over 34 years of experience in the Mexican manufacturing landscape, we can guide you through any stage of the start-up process. Though we're the largest shelter services provider in Mexico, our hands-on approach means we'll be your trusted partner - you'll never feel like just a number.

Want to Launch Confidently? We Can Help:

- Keep things running smoothly from initial launch through ongoing operation
- Select the right site for your maquiladora
- Recruit, train, and retain your employees
- Configure legal, organizational, and support structures
- Do the heavy administrative lifting, from finance to customs
- And much more – contact us today to get your custom entry plan.
