The Shelter Service Advantage with Tetakawi

Supercharge Launch for Your Electronics Operation

With over 34 years of experience in the Mexican manufacturing landscape, we can guide you through any stage of the start-up process. Though we're the largest shelter services provider in Mexico, our hands-on approach means we'll be your trusted partner - you'll never feel like just a number.

Want to Launch Confidently? We Can Help:

- Keep things running smoothly from initial launch through ongoing operation
- Select the right site for your maquiladora
- Recruit, train, and retain your employees
- Configure legal, organizational, and support structures
- Do the heavy administrative lifting, from finance to customs
- And much more - contact us today to get your custom entry plan.

Electronics Manufacturing Facts by the Numbers

\$5B

invested annually in Mexico's electronics manufacturing industry

20M

TVs are produced annually in Tijuana alone

8th

largest producer of electronics worldwide
