HVAC Manufacturing in Mexico Is Heating Up

Home to more than 600 companies and ranked as the fastest-growing exporter of air conditioners, Mexico is heating up as a stronghold for industrial and consumer heating and cooling production.

The Shelter Service Advantage with Tetakawi

Start Your HVAC Operation Smartly

With over 34 years of experience in the Mexican manufacturing landscape, we can guide you through any stage of the start-up process. Though we're the largest shelter services provider in Mexico, our hands-on approach means we'll be your trusted partner - you'll never feel like just a number.

Want to Launch Confidently? We Can Help:

- Keep things running smoothly from initial launch through ongoing operation
- Select the right site for your maquiladora
- Recruit, train, and retain your employees
- Configure legal, organizational, and support structures
- Do the heavy administrative lifting, from finance to customs
- And much more – contact us today to get your custom entry plan.

HVAC Manufacturing Facts by the Numbers

- 600+ HVAC manufacturing companies in Mexico according to the WEDC
